There will be rest, and sure stars shining
Over the roof-tops crowned with snow,

A reign of rest, serene forgetting,
The music of stillness holy and low.

I will make this world of my devising
Out of a dream in my lonely mind.

I shall find the crystal of peace, - above me

Stars I shall find.

Sara Teasdale, 1884-1933

* The melodic material in the cells should remain in tact, but each singer chooses their own rhythms and tempi; the patterns continue until measures 80/81, at which point each singer finishes their pattern and sustains the final pitch. If a small ensemble is performing this, Soprano 1 and 2 should join Alto 1 and repeat the material ad lib. until measure 72, at which point they revert to their respected parts.
